Tribble Nurseries

TRIBBLE BROS., PROPS.

Walnut Specialists

Elk Grove :: :: California

OUR NURSERY IS LOCATED
FIVE MILES WEST OF LODI

WALNUT TREES

Our Walnut Trees are propagated from scions which we have grafted on large black walnut trees, and these have all produced the finest walnuts of their respective varieties.

FRUIT BUDS

These were taken from the orchard of S. R. Gage, F. P. Gage and the Tribble Orchard at Elk Grove; from the McKindley, Corey and other notable orchards at Lodi and Acampo, and of the newer varieties, Millard Sharpe of Vacaville furnishes these for us.

Booklet on Walnut Culture FREE.
